MINISTER'S MESSAGE FROM DAVE'S DESK

As Easter is fast approaching, I'd like to share parts of a story that I read from Norman Vincent Peale on "The one thing we all want."

When we think about it, what is Easter? Is it a day when everybody dresses up? Is it flowers? Is it the end of winter and the coming of spring? Yes, it is all of these. But these are only signs of the main thing. What Easter really demonstrates is the one thing we all want...LIFE. Easter promises life now and always.

There's a story of a middle-aged man who was in a very serious accident some time ago. While doctors worked on him in the hospital, he could hear a voice saying, "There isn't much chance for this fellow." And even in his bewildered state, this middle-aged man thought, "Oh I don't want to die."

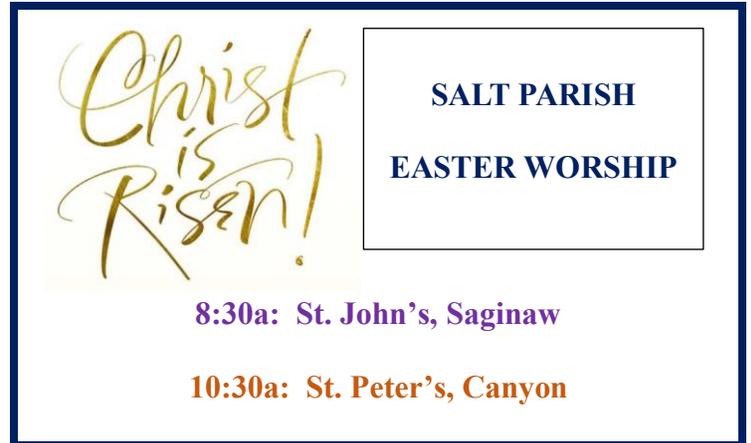

It was touch and go for days, but by the grace of God, he got well and now lives life very differently. It was as if he had never really lived before. People were now beautiful. The world was beautiful and even simple things were exciting. What happened to this man was that he experienced a new awareness of life that he previously took for granted.

Easter comes to remind us that life is not just for now, it is forever. Jesus said, "Because I live, you shall live also." He was telling us that life on earth has two outcomes, but the decision is ours. The Resurrection is much more than a single event that happened two thousand years ago. It is also a process whereby the spiritually dead, the unhappy, the sinful, the weak can all find new life through Jesus.

Life can be ordinary, or it can be great... it's our choice. Easter is a perfect time to wake up and become enthusiastically alive in Christ, knowing that because He lives, we may live also.

Let us all share that enthusiasm and the Good news of Easter, and life in Christ, every day of our life. Wishing one and all the blessings of Easter!

In God's Peace,
Minister Dave

Christ is Risen!

A Grandparent's Axiom
Do a good deed. Sow a good seed.

~FAITH'S CONSTRUCTION PROJECT~

As many of you know, there's been a lot of work going on at Faith... Faith WELCA purchased new light fixtures for the basement. Naturally, that led us to look closely at the ceiling tile, which had seen better days. Jim Witkowski contacted USG Interiors in Cloquet, who donated new tile to replace the old stuff. Work began on Mar. 19th with many men from the SALT Parish as well as the community coming together to make the improvements to the church. The women stepped up & provided meals & snacks for the workers.

A HUGE 'Thank you' to everyone who participated!
