MINISTER'S MESSAGE FROM DAVE'S DESK

As we come to the end of the 40 days of Lent, Holy week and the death and resurrection of our Savior, the Lord Jesus Christ, how have we changed, or how will we change? Has Jesus journey to the cross and his death and resurrection changed us on a daily basis or are we going through the motions of hearing the Easter message yet again, being un-affected? Have we changed realizing the gift we've received in eternal life through Christ's death and resurrection and want to show our faith 365 days a year? Does it affect our faith life in the church through stewardship and helping make our churches be a welcoming community of believers.

Jesus commanded his disciples to "love one another as I have loved you." This also ties in the two commandments that Jesus refers to the most important. The rest of the commandments revolve around these two. "Love the Lord God with all your heart and all your soul, and "Love your neighbor." Do we show love to our neighbor, or do we try hard not to get involved.

There was a young girl who was asked to stay for dinner at the home of her friend. The vegetable was buttered broccoli, and the mother asked if she liked it. The child replied politely, "Oh yes, I love it." But when the bowl of broccoli was passed, she declined to take any. The Mother said, "I thought you said you loved broccoli." The girl replied sweetly, "Oh yes ma'am I do, but not enough to eat it.

Is this how we show love to our neighbors? We say we love them and will do anything for them, but when it comes time to step up, we back down looking out for ourselves. Author Haddon Robinson said, "One cannot define one's neighbor; one can only be a neighbor." He goes on to say, "your neighbor is anyone whose need you see, whose need you are able to meet." A neighbor is someone who says, "What is mine is God's and what is God's belongs to my neighbor because my neighbor belongs to Him."

As we celebrate the resurrection, let us be changed Christians 365 days a year. Take the opportunity to share the Easter story and share your personal faith story. We can't tell others that we love broccoli when we won't try it and we can't share the gospel when we don't take the opportunities that God gives us. Above all, Love the Lord and love your neighbor!

In God's peace, Invite a friend – Minister Dave
